Summary

- I am a student in G.S. Mandal's Marathwada Institute of Technology from CSE Department.
- I'm the orator of my college.
- I secured 1st rank in MCCA course.
- I secured 'B' grade in CCC (Course on Computer Concepts) course.
- I've won first prize in oratory competition in Ramakrishna Mission.
- I've won many prizes in public speaking and oratory competition at inter school level.
- I have done anchoring very often in college's function and even in other colleges.

Experience

Internshala Student Programme

Internshala

Nov 2021 - Jan 2022 (3 months)

The main task in this role was to make aware people that how important an internship is in a student life. I conducted online talk very often with the strength of 50 to 70 students as first then later the strength kept on increasing. By this role in my life I learned public speaking, my communication skills got better.
